

Year 2 – Remote Learning

Maths:

We are working with numbers up to 100 and beyond, and learning all four number operations: + - \times \div This term the children will need to know the 2, 3, 5 and 10 times tables.

English: Encouraging your child to write daily will help keep them using the skills they have already learned. They could write a diary entry, letter, postcard, story, fact-file or set of instructions. The children should be encouraged to use their neatest joined handwriting.

Reading Eggs – is a great reading app to encourage reading and fluency.

Phonics: We are completing Phase 5 phonics and moving onto Phase 6 this term.

<https://www.phonicsplay.co.uk/resources/phase/5> Lots of great games.

<https://www.youtube.com/c/MrTsPhonics/videos> These lessons are great for reinforcing the phonemes and letter patterns already taught and also some new ones.
